Illustrator Application
Spring 2026

Thank you for applying to Bwog!

As a Bwog Illustrator, you'd get to work with our wonderful Visual Editor Audrey and the Visual Team to create visuals for our site by request and voluntarily!

Bwog Illustrator applications are open to any undergraduate.

Instructions:

- **Please respond to all questions below.** There is no maximum or minimum length for responses.
- Email editors@bwog.com with an attached PDF of your application by **Tuesday, March 3rd, 11:59 pm EST**. Email us if you have any questions!
- Have fun!

About Bwog:

- What do you think Bwog is?
- Tell us about one header image you love and one you don't love. Please explain why for both.
- What do you think the role of Bwog Visual is? How do you think Bwog could improve in our visual presentation?
- Draw Bwog.

About you:

- Classic get-to-know-you: name, pronouns, (intended) major, school, graduation year, anything else you want to include!
- Why do you want to join Bwog?

Questions for Illustrators:

- What mediums do you use?
- Are you comfortable with the process of digitizing your work?
- Provide up to three examples of your past work.
- Choose a building or statue on campus. Give a rough sketch or idea of how you'd capture it. Nothing polished, we just want to see how you think creatively.

Questions on commitment/other student news organizations:

- It is Bwog policy that you **cannot simultaneously be a member of Bwog and another student news organization** on campus (such as Columbia Daily Spectator, The Blue & White, WKCR News, or The Federalist, etc). You *are* allowed, however, to write for campus literary magazines and other, non-journalistic organizations. Do you understand that **if you are accepted to Bwog and to another publication, you will be expected to only commit to one organization?**
